

ARKANSAS COURT OF APPEALS

DIVISION III
No. E12-1007

SUSAN HASSON

APPELLANT

V.

DIRECTOR, DEPARTMENT OF
WORKFORCE SERVICES

APPELLEE

Opinion Delivered April 17, 2013

APPEAL FROM THE ARKANSAS
BOARD OF REVIEW
[NO. 2012-BR-00859]

REMANDED FOR FURTHER
FINDINGS; MOTION DENIED

BRANDON J. HARRISON, Judge

The issue is whether we should reverse the Board of Review's decision that required Susan Hasson to repay unemployment benefits because of fraudulent or non-fraudulent overpayment under Ark. Code Ann. § 11-10-532(a)–(b) (Supp. 2011). The Board's decision did not sufficiently explain how it determined that Hasson had to pay back certain unemployment benefits. *Ferren v. Dir., Emp't Sec. Dep't*, 59 Ark. App. 213, 215, 956 S.W.2d 198, 199 (1997). Because we cannot tell how the Board determined the amount of overpayment in its September 2012 decision, we cannot adequately review the amount of overpayment. Therefore, a remand for further findings is required.

We have also considered Hasson's motion for additional relief, and that motion is denied.

Remanded for further findings; motion denied.

GRUBER and BROWN, JJ., agree.

Susan Hasson, pro se appellant.

Phyllis Edwards, Associate General Counsel for Artee Williams, Director, Department of Workforce Services.
