

ARKANSAS COURT OF APPEALS

IN RECOGNITION OF APPELLATE
JUDGES JOHN MAUZY PITTMAN and
JOHN BOYD ROBBINS

Opinion Delivered JANUARY 21, 2015

PER CURIAM

On December 9, 2014, our court announced the retirement of Judge John M. Pittman, who left this court on December 31, 2014, after serving twenty-two years on the Arkansas Court of Appeals. Judge Pittman is the longest serving judge in the history of the court, followed closely by his good friend Judge John B. Robbins, who recently retired with twenty years of service. Judges Pittman and Robbins both served ably as chief judges of the court. They were excellent judges who always showed respect and consideration for the litigants and lawyers involved in our cases. In recognition of their dedication to the administration of justice, the members of this court have unanimously voted to name our conference room the Pittman-Robbins Conference Room. We thank you for your faithful service to our state.
