SUPPLEMENTAL ADDENDUM  
ORDERED

## WAYMOND M. BROWN, Judge

Appellant Charity Lovan (now Rydberg ) appeals the Sebastian County Circuit Court's order changing custody of B.L. and J.L. to their father, Joshua Lovan. She argues on appeal that (1) the trial court abused its discretion by denying her motion for reconsideration, and (2) the trial court erred by finding that a material change in circumstances existed and that the best interests of the children were better served with appellee. Here, appellant's addendum is missing page one of the divorce decree as well as any document to support appellant's contention that the trial court denied her motion for reconsideration.<sup>2</sup> We direct appellant to file a supplemental addendum within seven calendar days of this opinion.<sup>3</sup>

We also note that page seventeen of appellant's argument is missing. This, too, should be provided to the court. We encourage counsel to review our rules to ensure that no other deficiencies are present.
