

**ARKANSAS COURT OF APPEALS**

DIVISION III  
No. CACR09-822

ANTHONY SANDERS

APPELLANT

V.

STATE OF ARKANSAS

APPELLEE

**Opinion Delivered** JANUARY 19, 2011

APPEAL FROM THE CRITTENDEN  
COUNTY CIRCUIT COURT  
[NO. CR-2006-288]

HONORABLE RANDY FRANKLIN  
PHILHOURS, JUDGE

AFFIRMED; MOTION TO  
WITHDRAW GRANTED

---

**JOSEPHINE LINKER HART, Judge**

In 2006, the circuit court placed appellant, Anthony Sanders, on probation after he pleaded guilty to one count of possession of a controlled substance with the intent to deliver. While appellant was still on probation, the State filed a petition to revoke. Following a hearing, the circuit court revoked appellant's probation and sentenced him to 54 months' imprisonment to be followed by a suspended imposition of sentence of 120 months.

Pursuant to *Anders v. California*, 386 U.S. 738 (1967), and Rule 4-3(k) of the Rules of the Arkansas Supreme Court and Court of Appeals, appellant's counsel has filed a motion to withdraw on the ground that this appeal is wholly without merit. Accompanying this motion, counsel has filed a brief that contains an abstract, addendum, and argument section listing all adverse rulings made by the circuit court with an explanation as to why each adverse

ruling is not a meritorious ground for reversal. The Clerk of this court on numerous occasions attempted to provide appellant with a copy of counsel's brief and notify him of his right to raise pro se points for reversal, but the packet went "unclaimed" by appellant.

After a careful review of the record and counsel's brief, we find compliance with Rule 4-3(k) and conclude that the appeal is wholly without merit. Accordingly, we grant counsel's motion to withdraw and affirm appellant's conviction.

Affirmed; motion to withdraw granted.

VAUGHT, C.J., and GLOVER, J., agree.
