

ARKANSAS SUPREME COURT

No. CR 07-1340

CHRISTOPHER NEWTON WHITE
Appellant

v.

STATE OF ARKANSAS
Appellee

Opinion Delivered February 5, 2009

PETITION FOR REHEARING
[CIRCUIT COURT OF BENTON
COUNTY, CR 2003-1001, HON. DAVID
S. CLINGER, JUDGE]

PETITION DENIED.

PER CURIAM

Now before us is appellant's petition for rehearing. On December 4, 2008, this court affirmed the trial court's denial of appellant's petition pursuant to Arkansas Rule of Criminal Procedure 37.1. *White v. State*, CR 07-1340 (Ark. Dec. 4, 2008) (per curiam).

Appellant has failed to meet his burden of demonstrating entitlement to a rehearing pursuant to Arkansas Supreme Court Rule 2-3. In our opinion, we held that the arguments presented either had been previously raised at trial and were not cognizable in a Rule 37.1 petition, or failed to demonstrate entitlement to relief under the Rule. Appellant presented no error of law or fact in the decision that would merit a rehearing on the matter.

Petition denied.

Imber, J., not participating.
