

F. H. JACKSON v. GORDON YOUNG, ET AL CO-EXECUTORS

5-4760

435 S.W. 2d 801

Opinion Delivered January 13, 1969

Appeal from Hot Spring County, Circuit Court;
Henry B. Means, Circuit Judge; affirmed.

Robert W. Faulkner for appellant.

Wendell O. Epperson and *Bridges, Young, Matthews
& Davis* for appellees.

CONLEY BYRD, Justice. This appeal by Appellant F. H. Jackson is dismissed for failure to comply with our rule 9 (d). The only portion of the record here abstracted is the testimony of Dave Davenport and from this alone we are unable to know how the trial court committed error in refusing a continuance or why the evidence is not sufficient to sustain the verdict.

Affirmed.
