

DENTON *vs.* WADDELL.

(See the case immediately preceding this.)

Appeal from the circuit court of Independence county.

JOHNSON, C. J., not sitting: MACLIN, special judge, sitting with
OLDHAM, J.

By the Court, MACLIN, S. J.—This case is precisely like the case of *Robinson & Robinson vs. Denton*, (*supra*) decided by this court at the present term, and the principles settled in that case must govern this.

There is no error in the judgment of the circuit court, and the same is affirmed.
