

Bobby Joe MITCHELL v. STATE of Arkansas

CR 79-183

Supreme Court of Arkansas

March 31, 1980

APPEAL & ERROR—MOTION FOR RULE ON CLERK—“GOOD CAUSE” FOR GRANTING.—An admission by attorney for appellant that it was due to his error that the transcript was not accepted is good cause for granting a motion for rule on the Clerk in a criminal case.

Motion for Rule on Clerk; motion granted.

PER CURIAM

The appellant's motion for a rule on the Clerk is granted. Counsel for the appellant, James M. Barker, concedes in the motion that due to an error he made, the transcript was not accepted by our Clerk. This constitutes good cause, as we have defined it heretofore, and for that reason the motion is granted.

In accordance with our practice, a copy of this opinion is forwarded to the Committee on Professional Conduct.
