

SUPREME COURT OF ARKANSAS

No. CR10-1304

LESA DIANE MENNE

APPELLANT

V.

STATE OF ARKANSAS

APPELLEE

Opinion Delivered December 15, 2011

SUPPLEMENTAL ADDENDUM
ORDERED.

PER CURIAM

Following a jury trial, appellant Lesa Diane Menne was convicted of possession of methamphetamine, possession of marijuana, and possession of drug paraphernalia. On appeal, appellant argues that the trial court erred in denying her motion to suppress contraband found after a search of her truck and purse. The case is set for submission on January 12, 2012. We order appellant to file a supplemental addendum within seven calendar days to cure deficiencies in her addendum.

Arkansas Supreme Court Rule 4-2(a)(8) (2011) requires that an appellant's brief include an addendum consisting of all documents essential to the appellate court's resolution of the issues on appeal. In addition, pursuant to Rule 4-2(a)(8)(A)(i), in a case where there was a jury trial, the jury verdict forms must be included in the addendum. Because Menne has not included the jury verdict forms in her addendum, we order her to correct this deficiency by filing a supplemental addendum within seven calendar days from the date of this opinion. Ark. Sup. Ct. R. 4-2(b)(4); *see also In re 4-2(b) of the Rules of the Supreme Court,*

2011 Ark. 141. We encourage appellate counsel, prior to filing the supplemental addendum, to review our rules as well as the addendum to ensure that no additional deficiencies are present.
