SUPREME COURT OF ARKANSAS

No. CR-12-397

STATE OF ARKANSAS

APPELLANT

V.

KENDRICK ROBINSON

APPELLEE

Opinion Delivered September 27, 2012

MOTION TO DISMISS STATE'S
APPEAL

CONCURRING OPINION.

PAUL E. DANIELSON, Associate Justice

I agree with the majority to grant Robinson's motion to dismiss because the plain language of Arkansas Rule of Appellate Procedure—Criminal 3(a) (2012) permits the State an interlocutory appeal from a pretrial order granting a motion to suppress, not from a pretrial order denying reconsideration of an oral ruling.
