Opinion Delivered November 19, 2012

APPEAL FROM THE PULASKI  
COUNTY CIRCUIT COURT  
[NO. CV-2008-7020]

HON. COLLINS KILGORE, JUDGE

REBRIEFING ORDERED.

---

**PER CURIAM**

Appellant appeals the findings of the Pulaski County Circuit Court. We order the appellees to rebrief.

We do not reach the merits of this appeal because of appellees' failure to comply with Ark. Sup. Ct. R. 4-1 (2012). We may raise issues of deficiencies sua sponte. *See* Ark. Sup. Ct. R. 4-2(b)(3) (2012); *Nash v. Ark. Elevator Safety Bd.*, 370 Ark. 86, 257 S.W.3d 80 (2007). Arkansas Supreme Court Rule 4-1(a) sets out specific guidelines for margins and typeface. Upon our review of appellees' brief, the line spacing appears to be between single-spaced and

double-spaced.

For this reason, we order rebriefing. Arkansas Supreme Court Rule 4-1(e) (2012) provides that “[b]riefs not in compliance with this rule shall not be accepted by the Clerk.” We encourage appellees’ counsel, prior to filing the substituted brief, to review our rules to ensure that no additional deficiencies are present.

Because of the upcoming holiday, appellees have until November 29, 2012, to file a substituted brief that conforms with our rules. If appellees file a compliant brief by that deadline, then our Clerk shall accept the brief. After service of the substituted brief, the appellant shall have the opportunity to file a responsive brief within fourteen days, or may rely on the brief already filed in this appeal.

Rebriefing ordered.
