IN RE HON. WENDELL GRIFFEN,
CIRCUIT JUDGE FOR THE SIXTH
JUDICIAL CIRCUIT, FIFTH DIVISION

Opinion Delivered: September 19, 2019

PETITION OF CIRCUIT JUDGE
WENDELL GRIFFEN FOR
RESTORATION OF POWER TO
HEAR AND DECIDE CASES
INVOLVING THE DEATH PENALTY
AND METHOD OF EXECUTION

PETITION DENIED.

PER CURIAM

Petitioner, Circuit Judge Wendell Griffen, acting pro se, seeks relief from *In re Pulaski County Circuit Court*, No. 17-155 (Apr. 17, 2017). Although the procedural basis for his petition is unclear, we consider it a petition for rehearing. According to Arkansas Supreme Court Rule 2-3, petitions for rehearing “shall be filed within 18 calendar days from the date of the decision.” Because Judge Griffen did not file his petition for rehearing within 18 days of our April 17, 2017 decision, it is denied.

Petition denied.
